

Good morning everyone. It became the second week of Advent. I came in December. We will be at Christmas service next week.

The day becomes shorter and shorter, but the days of Christmas become longer. It's still cold, but we are grateful for the light of God's hope, to wait for Christmas, to be joyful of Christmas, and to be brave and brave.

Last week was the story of Zakaria. He was struck with fear in the appearance of an angel. And even if I heard the prophecy of the birth of John the Baptist, I passed on my head, and what could I know about it.

How did she answer the angel today?

In the 26th month, angel Gabriel was sent from God to the town of Galilee, Nazareth.

I have six months. It means the sixth month of Elizabeth's conception. Why was Gabriel sent to a small village in Galilee, Nazareth? The Zakaria was a priest and greeted the angel at the sanctuary of the temple of Jerusalem, but Maria was a young girl in a small small village in Galilee. This contrast is unique.

27 he was sent to the uncle of Joseph of the Lord David. Her name was Maria.

Joseph's marriage Maria. Joseph's marriage Maria. The name Maria does not come out first. Maria was the forgiveness of Joseph. The name of Maria is not preceded by Joseph's name. But the angel jumped over Joseph and first appeared in Maria. 28 angel said to her. "Congratulations, your blessed are the Lord."

1:29 Maria was puzzled by this word and thought of what this greeting was.

Zakaria was immediately anxious and uneasy at the time of the advent of an angel, but Maria was not afraid or miserable by the fact that the angel appeared. As in verse 29, Maria was confused by this word. It was not to be puzzled and deeply embarrassed to fear the appearance of an angel, and that he was thinking what it was.

It was a puzzled, confused, and thoughtful thought of the meaning of this greeting, which was puzzled and deeply troubled.

When we hear this word objectively, "if you have a congratulatory person, I will be with you," we are always glad to be glad, and it seems like a joyful language. But Maria is not only happy, but the angel has suddenly spoken to himself, who has never been named, and the words told him, what kind of thing is this word of blessing, what kind of affection, what does it mean? I thought. Here is the feeling of faith in Maria deeply trying to know the truth of grace.

I don't say that blessing is not pleased with me, but I am not satisfied with it, and what kind of blessing it is, that the Lord is with me, and I am here and blessed There is a heart of the response that she wants to know sincerely what is going on.

30 then the angel said. "Maria, no fear.

In verse 28, "Congratulations, your blessed ones, and the Lord will be with you." It is the meaning of the word "grace", but this is not a reward given by a person to do something, but it is blessed to be given not to do anything to receive.

Do not be afraid, but don't think about it; just leave the blessing from God.

31 and you shall bear the boy, and give him the son.

1:32 the child becomes a great man, and he is said to be the son of the high.

1:33 he will reign the house of Jacob forever, and the rule will not end. "

As for Zakaria, how great his child is, he is full of how he understands how to understand it, and how he can understand and crush it The prophecy to her son seemed to pass her head.

And the priest Zakaria leapt back at the temple of Jerusalem, saying why she knew what it was, but Maria, the girl in Nazareth, of Galilee, was not a sudden, despite the sudden intervention of God I concentrated my mind on what God blessed me. And it is verse 34.

34 Maria said to the angel. "Why can I have such a thing? I don't know the man."

This seems like this word of rejection like Zakaria at first glance. "I don't know a man, and I can't do anything like that."

But this word is not. The words of Maria said, "how do you do it against me who doesn't know a man?" but it was such an unbelievable cry. Zakaria does not happen from the beginning. Because my wife and I are old. I was thinking that I wouldn't happen, but Maria was thinking on the assumption that Maria would take place and how it would happen.

I don't know how to do that, but it's not the language that I can't understand, but this is the case, but it's the situation, but how can it happen to me, whether or not it can happen This is how youthful, aggressive, and anticipated, and in the faith of Maria who expects the future, is a young, clean, obedient, and childish feeling expressed here. We want to continue with such feelings. I would like to see how it happens if I don't know whether or not I can't see the path without knowing it.

35 the angel answered. "The Holy Spirit descends to you, and the power of the higher will wrap you, so the son born is called the Holy One, the son of God.

1:36 your sister, elisabetto, is old, but she has a boy. She is said to be a infertile woman, and it is already six months.

1:37 there is nothing for God. "

The Holy Spirit descends, and the power of the higher and the highest is enveloping us!

What a blessing it is! Congratulations. I fear the word that the Lord is with you. We fear the words that the Holy Spirit descends and the power of the higher reaches us.

"Maria, no fear, you have grace from God." the Holy Spirit will descend to you, and the power of the higher will wrap you. "

Don't be afraid. You received grace from God. The Holy Spirit descends to you, and the power of the higher will wrap you. Nothing can be done to God. We are also guided in such protection. You are protected. We are remembered as blessed with God. It may be neither an imprudent nor a rush. But how do I get it? I will follow you even if you can't understand or understand it. If you are a congratulatory person, even if I can't understand it, even if it is a material of confusion, I expect it. I don't know what to do with my marriage, but it is an exciting event, and it is an exciting event, but when the Holy Spirit descends, and the power

of the higher one envelopes me, and if a wonderful child is born and is for the sake of the world I will give it to you before you. I am the servant, slave only. I hope you will be here.

His parents, elisabetto, are old, but they have boys. She was said to be infertile, but she has already been six months old.

1:37 there is nothing god can do. " God encourages nothing.

In spite of God's encouragement, the guidance of the Lord may sometimes break through our hearts. Please let me have a peaceful life. I am afraid of being brought to the place where I can't think because it is wrapped in the power of the high and the other side. I don't want to understand what to say. I'm hot. But trust in the Holy Spirit, and to the power of the higher, and without fear, "believe congratulations, the Lord will be with you," and believe in the word that there is nothing that can not be done to God even if you don't know anything about it. I want to confess that your words become my own.

I will follow your will. How lucky it would be for those who wish to be obedient and obey God and obey God's word and pray for God's will.

In our whole life, there may be some people who are with us, and sometimes there is no crisis, and our crisis may come. However, let's proceed to the chest this week with the word "the person who is not congratulating, Congratulations, Congratulations".

The Holy Spirit descends to you, and the power of the higher is enveloping you. Nothing can be done to God. The word of the Lord turns into an event like genesis. I hope that you will advance this week.
