

Good morning everyone. Shocking news that Russia invaded Ukraine last week.

Man's life is deprived of power. We will remember the pain from the heart to the fact that the life is lost from one another to each other, and let us pray and pray that the war will end as soon as possible.

The picture of the little girl crying tears is why this is what she is crying. How the peace of the world is visited is very difficult in the international society where the difference of the position is swirling, and it is possible that God brings the work to the prayer of many people, and that this killing is finished as soon as possible We want to pray for the hot.

When I receive baptism, there is a word of the Bible that echoes my heart. There are four chapters of Jacob's letter.

4:1 what caused you to fight or fight between you? Is it not the cause that conflicts within you?

4:2 you will not be able to kill and kill people. Moreover, it is not possible to obtain it even if it is eager, and fight and fight. It is not possible to obtain it because it doesn't request

4:3 it is because it asks for the wrong motive to ask for the request for the enjoyment that it is not given even if requested.

"What is the cause and conflict between you?" I think that the desire in your heart is not caused by sin.

And I wished to accept Jesus's Cross. The word "sin" is said to mean the meaning of the original meaning. The God said to God, "God will never die from the tree of knowledge of good and evil. But the snake, who is the devil, will never die, and if he eats it, he will open up his eyes, and he will know good and evil like God. And he did not believe in the word of God, but he believed in the word of the serpent, and did not do what he did, and he broke the word of God. And he was expelled from the garden of Eden. Suffering was given to women as suffering, and people were given the pain of the work of sweating and sweating on the face.

We are now reading John's gospel. In Chapter 6, there was an event that Jesus gave food to 5000 people. And then people followed Jesus and went everywhere. Jesus said to them,

"I tell you, for you are looking for me, not because I saw a sign, but because I had eaten bread." This sign means miraculous signs, but it means the sign that Jesus is the Messiah savior sent from God. It was enough for us not to ask for the salvation we were willing to hand, and to ask for the sign, if we could get the bread to satisfy our hunger, so that we might be beside Jesus, who had followed Jesus on his side.

People must sweat their faces and get bread. It's hard to live. However, it was originally because the person committed the crime of exasperation. We listen to the temptation of those who wished our destruction, and live for our desires, our desires and our thoughts. It was because of the problem that it did not listen to God's word to hear even if it took away the life even if the person was removed, and it tried to take away the life. So it was all the sinister ending that he had to be sent out of the grace of God, and that he had to get the bread and sweat.

Jesus said that I was bread of life. "I am a bread that has come down from heaven. If you eat this bread, you will live forever". The bread I give is said to be the body of Jesus and the life.

The word of verse 51 says, "I am the bread that has come from heaven; and if you eat this bread, he will live forever; the bread I give is my flesh for the world." To be able to resurrect our sins and live in eternal life so that we may live our lives on the cross with the blood of God It was the work of the atonement of God for the person to return the person to the good event that the person was with God in the blessing in old days.

I hope that Jesus will be able to dedicate the flesh as a bread for the person, and to save the blood donor

41 and the Jews said, "I am the bread that came down from heaven," and began to mutter of Jesus.

6:42 "Is this Jesus the son of Joseph, and we know his father and mother," why did we say, "come down from heaven?"

They have responded to this word "come down from heaven".

It is only a servant of Joseph and Maria, one of Nazareth in Galilee. They thought that it was

such a special existence like a hero who came down from heaven or a hero from God.

They were only thinking about the visible bread, and as a son of Mary and Joseph, who appeared as a person, who was born as the same person as others, but was not trying to think deep in the truth of God.

43 Jesus answered, "Stop talking.

44 no one can come to me unless my father has sent me. I will revive the man on the last day.

In John Chapter 3, there is a conversation with Jesus's Nicholas.

3:3 Jesus answered, "If you are not born, you can't see the kingdom of God."

3:5 Jesus answered, "No one can enter the kingdom of God unless he is born by water and spirit.

We belong to the body. I live in the world of the visible thing. But we've lost many things since we've come to life. I cannot stand God's point and live in God's thought. Without living in God's place, listening to the breath of God, without listening to the word, the man has lived freely, but he lives in the most important, living in the heart of God. The important part that is missing is to live by the spirit. If God does not attract us, no one can believe that Jesus is the Savior who came from God only. Just the son of Joseph and Mary's son, the carpenter of the carpenter. And it does not have any more visible eyes, it is human form, but for those like God who is sent to you by the Holy Spirit We can know that Jesus is the one who sent us specifically for us.

Jesus will revive the person on the end of the day.

45 in the prophet's book, 'they are all taught by God'. Everyone who has heard from my father comes to me.

46 no one has seen his father. Only those who came from God saw father.

47 Believers earn eternal life.

He is taught by God. It is person's way. It is important to live in such a way that you will never live in the wrong way.

He lost the great grace by riding on the serpent of the serpent.

It is the existence that the person is excluded unless it is taught by God.

You can meet Jesus by learning from God. When he is taught by God, he can come to Jesus when he learns and learns from his father. No one has seen his father. Only those who came from God saw father. Only Jesus who came from God knows God the father. And now that you are the one who is sincere and humble, the one who waits for the teaching from his father, who has come to me, who comes from God, and the son of the Messiah God of salvation, I will be able to draw and meet you.

Come to me, who wants to learn from my father. I would like to express my gratitude to the words of Jesus.

47 Believers earn eternal life. The man who believes in Jesus has eternal life.

48 I am bread of life.

49 your ancestors ate manna in the wilderness, but they died.

50 but this is the bread which came from heaven, and the man who eats this does not die.

51 I am the bread that has come from heaven. If you eat this bread, he will live forever. The bread I give is my flesh for the world. "

If you eat this bread, he will live in peace. Believers earn eternal life. Believe that I become your food and become food. Believe in the meaning of the atonement that I make with my flesh, that is, this body on the cross. Then you will get eternal life. Then I will restore him to the end of the day. This is Jesus' salvation, gospel and good news.

Jesus came down from heaven because he was raised to the cost of sin in order to raise the person from the depths of the deep sin, and it became the basis of the crime, it became the food for the children, and it became a life and became salvation. God the son. He was born to us.

52 and Jews began to argue against each other, "how can this man make our flesh eat us?"

53 Jesus said, "If you do not eat the flesh of the son of man, and drink the blood, there is no life within you.

For these people who can't be seen to the crucifixion, it is impossible to say that this stage in which the cross is not known is impossible, but what Jesus is saying is as their literal meaning I find that there is too much difference between being confused and thinking about the surface.

6:53 Jesus said, "If you don't drink the blood of the son of man, and do not drink the blood, there is no life in you. 6:54" eat my flesh, and drink my blood shall be eternal life, and I will resurrect him.

6:55 because my flesh is the food of my own, my blood is drink.

6:56 for those who eat my flesh and drink my blood are always in me, and I am always among them.

Moreover, Jesus spoke clearly without fear of their misunderstanding. Eat the flesh of the son of man and drink the blood. We clearly understand the meaning of Jesus by the Holy Spirit. Jesus had given us our crucifixion to crucifixion. He devoted himself to the flesh, for his true food for us, the blood of us. We believe that we have got eternal life and forgiveness among God, and that we have forgiven the deceitful sin and restored the way we can live in the garden of God. My meat is a drink of food. 58 this is the bread which came from heaven. It is different from the one that the ancestor had died. Those who eat this bread will live forever. " Your ancestors ate manna in the wilderness, but they died. Work for food that leads to eternal life, not for decay. The LORD said in verse 27 that this is the food that the son of man gives to you.

56 for those who eat my flesh and drink my blood are always within me, and I am always among them.

This is the word to remember the grace of the sacrament. When we receive bread and wine, we remember this word. "The people who eat my flesh and drink my blood are always in me, and I am always among them."

We are deeply grateful to the Lord for offering the body and atonement. Thank you very much for the fact that it has become a new contract by offering life and has become unrelated.

Jesus is always among us. And we can always remember that we are in Jesus.

57 and the living father lives with me, and I will live by my father.

God is always alive. And he sent Jesus, and he was always alive by his father-in-law, living in life, giving life and grace, and resurrecting from death. It is said that people who believe in Jesus deeply in the heart and believe that Jesus is believed to be "the true drink of my true food, that I should be good," is mainly said to live.

58 this is the bread which came from heaven. It is different from the one that the ancestor had died. Those who eat this bread will live forever. "

59 these were spoken when Jesus was teaching at the chapel of Cafarnaum.

The story that people think is mysterious continues. In the next place, some people say that this is a terrible word and leave Jesus away. However, some people went according to Jesus believing. They were all taught by God. Everyone who has learned from my father comes to me. Only the father who came from God who saw father did not see father. The believer who says clearly has got eternal life. Your ancestors ate manna in the wilderness, but they died.

I'll tell you clearly. Believers earn eternal life.

I am bread of life. However, this is the bread which came from heaven, and the person who eats this does not die. Get eternal life, and I will revive the person on the day of the end.

We sincerely believe in those who serve our lives as true food and as a true drink, and to thank you for gratitude, respect and obedience. I hope that you will advance to the Father God and learn from you. We would like to thank you for believing that such a week's walk will be celebrated.

Prayer; Thank God for the heavenly Father today. It was the human being who was banished from the garden of Eden under the impression that it was not suitable for the grace from God because it was not suitable for the grace from God, but God had long been thinking about the way back for the person, and finally at the cross We give our gratitude to us for giving us the dedication of our redemption by the body and blood of Jesus Christ for us, and that we have lived. From the child to the old people, all ages will be able to meet Jesus Christ at this time. Please bless our family and the local people. Pray by the name of the Lord Jesus. Amen
