

Good morning everyone. Now I feel like I'm feeling spring. It became even more hot in daytime. The graduation ceremony is done one after another at the turning point and the school in March. Another month is April. It is the beginning of the new year. It is liberated from the cold, and at this time of new departure, we want to taste this word from the Lord today.

14:1 "you should not make a heart of God; believe in God and trust me."

In the passage of today's Bible, Jesus points to himself, and there is no place where the word "me" is occurring.

14:1 "thou shalt not mind the heart, believe in God and trust me.

14:2 my father's house is full of fruit. If not, I would have said so.

14:3 And if you go and prepare for the place, come again and greet you. For you have my own place.

14:4 the way I am going, I know you.

14:6 Jesus said to him, "I am the way, the truth, and the life.

14:7 if you knew me, you would know my father. But now I know my father and I've already seen my father.

14:9 Jesus said to him, "why do you not know that I have been so long with you?

14:10 don't you believe that I am with my father and that my father is with me? The words I speak to you are not spoken from me. My father is in me, and I am looking for it.

14:11 believe that I am with my father and that my father is in me. If it is unbelievable, believe in itself.

14:12 Whoever believes in me will do what he does. It will not do much more. For I will go to

my father.

14:13 I will do whatever I wish in my name. This is because his father will receive glory.

14:14 if I wish anything in my name, I will do it.

For a long time, Jesus believes me to his disciples. Keep believing in me away from me. Come to me. Because I am full, truth, and life. Ask me for my name. Because I can do it, if you come to me, the Lord is boldly told.

We have long thought about faith. I have tried to know the faith and try to make the best. I have tried to deepen my faith. But faith is really simple. It is as written in Hosea.

Hosea 6:1 "come, let us go back, and the Lord has torn us, and he has done us again, and we will wrap it again.

6:2 the Lord will make us alive after two, and set us on the third day. We live in front of you.

6:3 let us know the Lord, and seek to know the Lord. The Lord will always appear like the light of tomorrow, and we will face us like rain in winter, and we will heal the earth like rain in spring.

Jesus was born in this world and dedicated his precious life to the cross of our crime. We believe in God, the Father God who has loved and loved him, and believe in Jesus, and believe in God and Jesus forever through his love, righteousness, compassion and grace. Even if there is a storm, even if there is a storm, even if a dark shadow is drifted to the destination, we fear and live without disturbing. This is what the Lord wishes to us.

1 thou shalt not bother the heart, believe in God and believe in me.

2 my father's house has a lot of manners. If not, I would have said so. For you prepare the place for you.

3 and if you go and prepare for the place, come again and greet you. For you have my own place.

We have to go there before long. If you go there, there is rest in the Apocalypse Chapter 21.

"Behold, the tabernacle of God shall be with the man, and the God shall live with the man, and the man shall be with the people of God, and with the man himself, to wipe away tears from the eyes of the man; no more death, no sorrow, no cry, no pain, because the last one has already passed away.

In this terrestrial world, eating bread, living, wearing, and struggling to live. I had a disease and suffering. There were many difficulties in the house of my father's house. May be satisfied. The Lord Jesus will prepare the place and pick him up again. We invite you there. There are various difficulties that make us disturbed and frighten us. That's what we believe in God. Faith is always faith. Of course, the knowledge of the Bible leads us to the right faith, but faith is not just knowledge. It is important that we take our lives into knowledge.

Matthew 6:22 is the light of the body. So if your eyes clear, the whole body will be bright.

6:23 but if your eyes are bad, the whole body will be dark. So if your inner light is dark, what is the darkness?

6:24 no one can serve two masters. It is because it hates one side and loves the other side, and it is familiar with one side and the other side. You cannot serve God and wealth.

6:25 and say to you. Don't worry about what you eat, what you drink, what you think about your life, and what you wear. Life is better than food, and body is better than clothes.

Look at the birds in the sky. It does not mire or mow, nor can it be taken in the Kokura. But your heavenly Father feeds them. You are far superior to them.

6:27 can you extend your life to any extent because of whom you were curious?

6:28 why do you think about kimono? It is good to think how wild flowers grow. Do not work nor spun.

6:29 but you say to you, Solomon, even when he flourished, was not one of these flowers.

6:30 it is born today, and even the grass of the field which is thrown into the furnace, will God be in this way, and will it be better for you? Ah, those who are thin in faith.

6:31 but don't be afraid of what to eat, what to drink, or what to wear.

6:32 all these things are sought by Gentiles. Your heavenly Father knows that all these things are necessary to you.

6:33 first ask God's Kingdom and the righteousness of God. And all these will be given with all.

Don't be so afraid of tomorrow. Tomorrow will be my fault. The trouble of the day is enough only for one day.

With the repetition of the word "I" in the Bible today, the word "believing", "knowing", and "seeing" are repeated repeatedly.

4 and I know that the way I go.

5 and Thomas said to him, "Lord, I don't know where we are going, and we will know the way."

7 If you knew me, you would know my father. But now I know my father, and I've already seen my father. "

Knowing this or knowing is an important word for us. To understand is what we value most. If we don't know the future, we can't believe it. If we don't know clearly without clear signs or evidence, we often believe that we cannot believe.

Why do we know where Jesus is going?

"I know where you are going,"

How much was the question that Thomas asked to the Lord for his courage?

5 and Thomas said to him, "Lord, I don't know where we are going, and we will know the way."

We don't know. I don't know. Why do we know the way of truth? Let us know the way Jesus is facing.

As an answer to Thomas's question, Jesus spoke too much of his words.

6 and Jesus said to him, "I am the way, the truth, and the life.

7 If you knew me, you would know my father. But now I know my father and I've already seen my father.

You may not know the truth, you don't have to study the way, you don't have to be able to get

it yourself. It is good if I look at me. I am truth, the way, and the life. Come to me. If you know me, I know my father and I'm already seeing my father!

It is the word of Jesus straight straight. In response to the repetition of the word "me", how many calls of the Lord "you" in today's passage? As Jesus is reading the love of Jesus, Jesus, who is "me", continues to call on us for loving him. Why can't you believe this one? If you know this fellow and look at you, we have no shortage.

8 and Philip said to him, "Lord, show us our father, and we will be satisfied."

9 and Jesus said to him, "why do you not know that you are with you so long?"

10 do you believe that I am in my father and that my father is in me?

Will we see the Lord Jesus? Don't you know that you're not seeing it? Even if you look at it, do you know that you are not satisfied with the lack of satisfaction? Do you believe that Jesus will be with God, his father, and God himself?

10 do you believe that I am in my father and that my father is in me? The words I speak to you are not spoken from me. My father is in me, and I am looking for it.

11 believe that I am with my father and that my father is in me. If it is unbelievable, believe in itself.

God has done various kinds of work through his son so that we can understand that he must be a man of power. And it comes out many times, the word of the greatest emphasis of the

Lord, "Amen, Amen" appears.

12 tell me good-bye. Whoever believes in me will do what he does. It will not do much more. For I will go to my father.

"The words I have spoken to you are not spoken from me; my father is in me, and I am looking at him." Jesus told us the truth that God also encouraged us to do the work of God as we did to Jesus.

"The one who believes in me will do what he does, and I will do more and more."

Jesus, who is in heaven in his father, defends us for the sake of our prayers, and holds us to pray, and to speak to us, that we may be able to work. And astonishingly, we talked about the fact that the Lord Jesus made it a bigger person than we did on earth. Do we believe that? Do you think we can't do anything like that?

The Lord is sending us to the Lord through the work of our Lord, for the work of the Lord, and to see our work. We are sent to "see" our work, to know God's existence, and to believe in God.

13 I will do whatever I wish in my name. This is because his father will receive glory.

14 If I wish anything in my name, I will do it.

I wish by my name. It is that the Lord always listens to our voice calling Jesus. We see Jesus, listen to Jesus, know Jesus' love, know the character of Jesus, what is pleasing to us, and know what it is to be angry with, to be taught by Jesus and to know Jesus. In this Jesus we know the way, know the truth, and get the life. For those who know Jesus in this way, and for those who

pray in the relationship with Jesus, why can't they be asked?

12 tell me good-bye. Whoever believes in me will do what he does. It will not do much more.

1 thou shalt not mind the heart, believe in God and trust me

6 and Jesus said to him, "I am the way, the truth, and the life; and no one can go to the sight of my father without me."

We believe in Jesus. Look. Jesus knows that God the father has done great things. When we rely on Jesus, we depend on Jesus and depend on Jesus, we can become the work of the Lord. We call our prayer and call us. God, the owner of the world, fulfills us with inexhaustible grace. Believe in Jesus who loves and protects us, we believe and live. This is the blessing given to us. And it is our mission to reveal the work of the Lord and pray for his father's name.

Prayer; Thank God for the heavenly Father today. Thank you for your support. There is a great deal of trouble that causes us to be afraid of our heart, but you will be grateful for us, for the sake of our wonderful heavenly home, and invite us. We give our trust to Jesus who abandoned our fears and offered life to the cross for us. Please lead this week. From the child to the old people, all ages will be able to meet Jesus Christ at this time. Please bless our family and the local people. Pray by the name of the Lord Jesus. Amen
